### GENERAL FRAMEWORK OF THE PARTICIPATION

In 2021 we have a new challenge to face: the health protection of athletes and participants linked to Coronavirus pandemic.

For the WSG2021 the organizing committee (EMILIOC) has engaged, among other specialists, a “COVID Manager” who is coordinating a task force to secure participants for all the phases: before the arrival, during the event and after the games. Participants should also know that a safety event is possible as much as behavior of participants move accordingly with the anti COVID measures adopted.

Our motto: **Let's participate safely in WSG2021! #safewsg2021**
